Good Afternoon Sara,

When time permits – would you please share our split sample findings from the off-site, neighborhood sampling plan with Dr. Windgasse & Russ from DPH?

Thanks very much

Hi Patrick – happy New Year!

I was looking through Russ' files but I could not find a full dataset from USEPA's split samples (data collected last July together with DTSC in the backyards).

Could you please send me a copy, including the QA/QC data?

Thank you very much!

Gabriele
